THE FAR-RIGHT NETWORK BEHIND CORONAVIRUS ANTI-SEMITISM

Exposing The Leading Players Responsible For Creating And Spreading Coronavirus Anti-Semitism And Their Plans To Incite Hatred And Violence Against Jews
ABOUT CANARY MISSION:
Canary Mission has been combating hate since 2015, by exposing anti-Semitic individuals and organizations on the far-right, far-left and among anti-Israel activists.

INTRODUCTION
Anti-Semitism is on the rise. The Covid-19 coronavirus pandemic has caused a surge in anti-Jewish hatred. Videos, memes and podcasts spreading coronavirus anti-Semitism echo the same fear-mongering and conspiracy theories perpetuated against Jews throughout the ages.

CORONAVIRUS ANTI-SEMITISM
1. Who is behind this wave of coronavirus anti-Semitism?
2. What is being spread?
3. What is their long-term agenda?

This Special Report exposes the network of individuals and organizations behind this new hatred.

26 White supremacists and far-right conspiracists spreading coronavirus anti-Semitism
6 Online platforms
12 Additional white supremacists
The individuals in this report are responsible for a large proportion of online coronavirus anti-Semitism. It’s not just coronavirus anti-Semitism — the individuals in this report have a long history of inciting hatred and violence against Jews. The Pittsburgh and Poway synagogue shooters echoed the same anti-Semitic hatred online as 18 individuals in this report. The same individuals who are responsible for coronavirus anti-Semitism are also responsible for spreading the conspiracy theory that Jews are the organizing force behind the rioting in response to the murder of George Floyd. (See Appendix 4)

The most prevalent form of coronavirus anti-Semitism is the conspiracy theory that the “Jewish-controlled government” is exploiting the virus to serve Jewish interests — 19 of 26 (73%).

The most prevalent form of general anti-Semitism is the spreading of classic anti-Semitic conspiracy theories - 26 of 26 (100%).

Far-right content has a broad reach. While it is primarily being spread on their own platforms, YouTube continues to be a platform for coronavirus anti-Semitism.
Coronavirus anti-Semitism is classic anti-Semitism repackaged.

During the 14th century Black Death pandemic, stories that Jews caused the plague resulted in tens of thousands of Jews being murdered. Today, Jews are once again being accused of creating and spreading a disease, this time it's the Covid-19 (coronavirus).
HOW IS CORONAVIRUS ANTI-SEMITISM SPREAD?

Coronavirus anti-Semitism is largely being spread online by the far-right individuals and organizations investigated in this report. Without their activities, a significant proportion of coronavirus anti-Semitism would not exist.

Since the events of the 2017 white supremacist rally in Charlottesville, many of the larger social media platforms have been clamping down on far-right individuals. This has caused the far-right to seek alternative channels with less oversight such as Gab, BitChute, Dlive, vk and others. Telegram has risen in usage for the same reason.

Podcasts are the preferred medium by far — shows or interviews streamed live and posted to their platforms. 17 of the 26 individuals (65%) investigated in this report use podcasts to spread their message, with the majority employing this format as their primary medium.

While it has become harder for them to host their podcasts on social media, many have widened their reach through their own websites. 19 of the 26 individuals (73%) investigated in this report run their own platform or are a core contributor to one.

For the full list of the platforms used to spread hatred, refer to ‘Influential Platforms,’ below.

The "Jewish-Controlled Government" is Exploiting the Virus to Serve Jewish Interests

Tony Hovater
“In the middle of a pandemic the National Guard is being deployed to protect J*ws. Not quarantine. PROTECT. What can I even say? This system exists to serve them and big capital. Big business matters. You absolutely DON’T matter. The guard isn’t even for you. You get nothing.”

Lee Rogers
“In other words, we have to roll out this intrusive surveillance technology on to your smartphones so government lockdowns can be lifted. That’s what they’re really implying. These large Silicon Valley tech companies are nothing more than extensions of this evil ZOG [Zionist Occupation Government] beast system.”

Adam Green
“Rothschild stepped down last year from his Rothschild investment company, as well. Are they trying to get out? Insider trading? ...They didn't wanna be responsible for this big collapse they knew, that was planned. I've heard the term 'Plan-demic.'”

Charles Guiliani
“Jewish tradition states that you’ve got to have a global government, a fully run, tribal... tyrannical totalitarian government... you got to have that in place before mashiach [Messiah] is revealed... Obviously, they're planning on unleashing global government very soon. That's what the COVID-19, guys, more than anything else, is a cover for.”
Mike Mazzone
“how soon b4 holocough raises more revenue than holocaust.”

Jared Howe
The Jews “do spend quite a bit of time hunched over their shekels...they know what it's like to have a hunchback these f**king shekel grabbing leprechauns over here.”

Angelo John Gage
“Israel's supposed #coronavirus vaccine, which is currently in development, probably has a backdoor into your brain, or the side effects include sending money to Israel.”

David Duke
“So they knew that they could, with their help...in the media, create this pandemic, they could spook the stock market, they could then sell the stock market short, right.. They could make trillions of dollars and they could take away the wealth of that middle class.”

Patrick Little
“And the DJIA [Dow Jones Industrial Average] has shot up from 18000 to 24000 in the last three weeks? Jews are using the Federal Reserve Money printer to BRRR stocks!”

“This whole ‘Chinese Virus’ thing seems to at least partially be the Jews trying to deflect blame for the spread of this virus... We should be calling this a ‘Jew Virus.’ It’s always the same story with these rats.”

Mike Peinovich
“If you live in the Eastern United States, you would be more advised to avoid Jews than Chinese. It looks like Jews are the Typhoid Moshes of America.”

“Jews were accused of poisoning wells and spreading the black plague by people in the middle ages. My question is what did they see, and why do we so readily dismiss the words of our ancestors?…”

David Duke
“The Zirona Virus Spreads the Coronavirus!”

James Fry
“Once again we see New Yorkers, led by the nose, blaming everything and everyone but themselves rabbis are generating false reports from @newyorkfbi desperately trying to blame & spread Corona far & wide. Dirty culture, dirty people. Why is NY ground 0? Look in the mirror…”

James Allsup
“As we all know, the disease was spread amongst elites at AIPAC [American Israel Public Affairs Committee] and CPAC [Conservative Political Action Conference] and New Rochelle, New York, a Jewish community, is the U.S. epicenter of the disease.”

Rick Wiles
“AIPAC was a super spreader of the virus! They spread it. It looks like they have spread it to Congress”
Jews Created And/Or Planned The Coronavirus

DID YOU KNOW?

…THAT ANTI-ISRAEL ORGANIZATIONS ARE ALSO ACTIVELY SPREADING THE IDEA THAT JEWS ARE SPREADING CORONAVIRUS

Charles Giuliani
“Isn’t it interesting that this [coronavirus pandemic] is happening right at this time, the Passover season. When the plagues were being poured out, and only one particular group was safe from the plagues, and everybody else was in misery.”

Christopher Jon Bjerknes
“They’ve had difficulty doing it supposedly because Jews are such a diverse group of intermixed interracial peoples, but I think they’ve been working on it, and I think they may well have a strong hand in the coronavirus, and if they develop the vaccine that would point to them as being the origin of the virus.”

Mike Peinovich
“I dunno if the rest of America knows what’s going on in NY and now NJ and CT. But this is the Jewflu, not the Wuflu.”

Adam Green
“Zionists Netflix, they came out with a multi-part documentary series called ‘Pandemic’ right immediately before this outbreak occurred. Coincidence?”

“When Zionists blame China it makes me suspicious Israel is behind it.”

David Duke
“I wouldn’t put it past the Mossad… to spread these, this coronavirus to the older leaders of a political party.”

One of the most prevalent forms of harassment is the practice now known as "Zoombombing." The far-right have taken advantage of lockdown measures, intimidating Jews by infiltrating and disrupting their Zoom meetings.

In March 2020, self-proclaimed white supremacist, Andrew Aurenheimer (aka Weev), disrupted two Zoom meetings. One was hosted by the Greater Boston chapter of the National Conference of Synagogue Youth (NCSY) and the other by a Jewish Community Center (JCC) in California.

According to a report published by the Anti-Defamation League (ADL), screenshots identified Aurenheimer from his swastika chest tattoo. His Zoombombing of the JCC meeting included an anti-Semitic rant.

On April 7, 2020, Ku Klux Klan (KKK) supporter James Fry indicated on Twitter that he was promoting the interruption of a Zoom meeting held by the ADL. His tweet stated, “Join Zoom Meeting The joys of sewing during the Corona Pandemic with Jonathan Greenblatt of the Anti Defamation League #zoomcodes #zoomcode #Zoombackground...”
THE PROGRESSION OF HATRED
IT WAS NEVER JUST CORONAVIRUS

FROM HATE SPEECH TO VIOLENCE

All the individuals mentioned in this report have a long history of anti-Semitism and share a common hatred of Jews. Coronavirus is just the latest opportunity to attack the Jewish community. Bigoted posts, videos, memes and podcasts feed their cultures and subcultures of hate — and this can lead to tragic consequences.

Robert Gregory Bowers

Robert Gregory Bowers, who committed the Pittsburgh Tree of Life synagogue shooting in October 2018, that killed eleven and wounded six, was active on the Gab social media network and frequently reposted material from influential neo-Nazis and white supremacists, including Jared Wyand and Patrick Little.

Wyand is a neo-Nazi whose Gab bio in 2018 stated: “I’m extremely busy with a vendetta against the Jewish people and the terrorist state of Israel.”

Bowers reportedly shared Wyand’s content 15 times over a three-month period in 2018.

John Timothy Earnest

John Timothy Earnest, who committed the April 2019 Poway synagogue shooting that killed one and injured three, was active on 8chan, a messaging website known to harbor neo-Nazi and white supremacist forums.

Prior to the attack, Earnest posted a manifesto to 8chan filled with classic anti-Semitic conspiracy theories that echo many individuals in this report:

“I would die a thousand times over to prevent the doomed fate that the Jews have planned for my race.” The White Genocide conspiracy theory — that whites are being eradicated by Jews and minorities — has been spread by Andrew Auernheimer, Peter Bober, David Bryson, David Duke, Jesse Dunstan, Angelo John Gage, Adam Green, Kyle Hunt, Jared Howe, John Taylor Kent, Mike Mazzone and John Ramondetta.

“To the Jew...The European man will rise up and strike your squalid and parasitic race into the dust.” That Jews are parasites has been spread by Ryan Dawson, Jesse Dunstan, Adam Green, Lee Rogers and Gabriel Sohier Chaput.

“For promoting race mixing...they deserve nothing but hell.” That idea that Jews dilute the white race and cause races to mix has been spread by David Duke, Tony Hovater, John Taylor Kent and Emily Youcis.

“I know the blasphemy of them which say they are Jews and are not, but are the Synagogue of Satan.” The Jews being part of a synagogue of satan has been spread by Rick Wiles.

CONCLUSION

Anti-Semitism was already on the rise. However, the coronavirus pandemic has proven to be a perfect opportunity for white supremacists, far-right conspiracists and their networks. They have exploited a global tragedy in order to incite hatred against Jews.

Some of their ideas have broken out of the far-right bubble and been echoed by the far-left, anti-Israel activists and conspiracists.

One of the important lessons of the Pittsburgh and Poway tragedies is that online hatred can have deadly consequences. Fortunately, we are not passive bystanders. By shining a light on this hatred, we can begin to combat it.

RACISM, MISOGYNY AND HOMOPHOBIA

The individuals profiled in this report have spread a multitude of online bigotry. Below is a small sample.

1. RACISM

Christopher Cantwell
“Kill all commies, kikes and n**gers...”

“The only thing n**gers are good for is killing other niggers #AmIRightppl?”

Andrew Anglin
“My political beliefs are: We should enslave the blacks, again!”

“27 other acts I will rapidly perform as President of the United States.” The list included: “3) Legalize the lynching of nasty ni**ers” and “9) Legalize domestic violence (against women only),” as well as to “11) Insert electric shock devices into the brains of black people.”

Lee Rogers
“Unlike your average n**ger, Koko read books and engaged in a wide variety of intellectual pursuits... She proved to the world that gorillas are more intelligent than the average n**ger.”

Nicholas Fuentes
“You know what our problem is? The fertility rates. We need to be making more beautiful white Christian babies. You know what the problem is? All the Muslims coming into Europe.”

Andrew Auernheimer
“Most of them [black people] are well behaved because they know what happens to a n**ger if they get outta line. It shows you how little it takes to get the n**ger under control. Like you just f**king beat the living s**t out of him.”

Emily Youcis
“If I poop a turd out in Somalia does that mean it legally becomes a citizen?”

“Someone really needs to do something about the unending spam of gay buttsex that has been posted under all of my #N**gerGenocide posts...I just want to post dead n**gers in peace.”

Gabriel Sohier-Chaput
“All Indians are on the autism spectrum. Don’t hire them. Don’t bring them on your team. Just remember this when you hear some Jew telling you that bringing in these dot-heads is essential to the economy.”

Benjamin Garland
“Indians literally do s**t in the street, on a grand scale...and then in many cases wade around in it.”

“We don’t want to have to learn to speak or read Spanish, or deal with the smell of inferior Mexican taco-vendors, rapists and drug-dealers...”
2. MISOGYNY

**Sacco Vandal**

Vandal coined an online meme that advocated for “White Sharia,” which calls for women to be put into harems and stripped of their rights.

“White Sharia is a blueprint for salvation. We don’t have to adopt it, but if we don’t, we will most likely perish…”

**Andrew Auernheimer**

“Every fat skank is a girl that could have been beautiful if only a single man in her life had cared enough to lock her gluttonous a** in a cage without food.”

**Lee Rogers**

“Clearly, anti-rape laws have been a disaster for this country. It has been particularly tough on independent womyn who desire to be raped but have no access to a healthy supply of male rapists.”

“Heather Heyer was a morbidly obese land whale of a slut who died following a minor car accident in Charlottesville…”

**Andrew Anglin**

“Military wives are whores. And we should be locking these women in cages. And when they get out of line, they should have their throats slit and just be burned. F**k burying them. We have had our masculinity stolen from us. We are domesticated.”

**Tony Hovater**

“Women are the n**g*rs of the sexes.”

Emily Youcis

“I know what will get these ungrateful c**ts their sexual desire for their husbands back: 1) If she cheats, beat the bloody s**t out of her until her face is caved in so no man will want her…”

3. HOMOPHOBIA

**Gabriel Sohier-Chaput**

“Homos are promiscuous hedonists who engage in the most perverse practices on a regular basis. As a result, their immune systems are overloaded and they’re wracked with diseases.”

**Andrew Anglin**

“f**k off faggot, your kind belong on the pyre.”

**Lee Rogers**

“I can fully understand why these people desire to rid homosexuality from their society. Homosexuality is a disgusting mental disorder and should at the very least be condemned by societies. Let’s be honest, what is there to celebrate about anal sex?”

**Shawn McCaffrey**

“all gays are pedophiles.”

**Benjamin Garland**

“The bottom line is: fags are disgusting. Everything negative that anybody has said about them is true, probably tenfold.”
APPENDIX 4
RESPONSE TO GEORGE FLOYD MURDER

In the wake of the murder of George Floyd by Minnesota police officer, Derek Chauvin, the far-right have blamed the Jews and engaged in anti-black racism.

Here are just some of the examples.

Andrew Anglin
On May 30, 2020 Anglin published an article in the Daily Stormer titled: “HOAX 2020: The Blacks Have Been Unleashed, This is Part of the Hoax.” In the article, he suggested that Jews are orchestrated the riots and he spread anti-black racism.

“The reason they are doing this is not because a cop killed a black guy. That happens regularly, because blacks are criminals and very often involved with police. So they get killed by police...

Across America, mobs of blacks roamed the streets, going entirely ape...

This is what the cops did yesterday, in every city: they went to the protests in the daytime and provoked the blacks. They beat them back, they sprayed gas and rubber bullets. Then when night fell, they all fled and let the blacks go ape...

...this is what the Jews want to do: they want to implant everyone with computer chips and run a world government out of Jerusalem where they do satanic sacrifices at their temple they're going to build.”

David Duke
On May 30, 2020, Duke tweeted, “George Floyd ‘Dindu Nutin.’ He never did nutin, except maybe armed home invasion and robbery. A perfect martyr for ‘human rights and justice.’ The purveyors of real mass of murder and mayhem call to us for ‘Justice.’ These are Not Good people folks!”

Kyle Hunt

On May 27, 2020, Hunt published an article in the Renegade Tribune where he claimed that Jews started a race war so that the people do not rally against the Jewish-run government of America. He wrote, “A great way to prove that Black people are innocent angels who never did anything wrong is loot local businesses...The people who are stoking this race war know what they are doing, shifting anger toward Whitey and away from ZOG [Zionist Occupied Government].”

Lee Rogers

Rogers accused Jews of funding the protests that followed the murder and attacked former-National Security Advisor to President Obama, Susan Rice.

“No Susan, the riots are funded by wealthy Jews like George Soros and are being carried out by anti-fascist terrorist groups who are agitating blacks to go ape.”... “I do know one thing that is most definitely not a conspiracy theory, and that's the fact that Susan Rice is an uppity, stupid a** n**ger. That is a fact and not a conspiracy theory. F**k you Susan you ugly poop-skinned piece of s**t.”

Rogers also suggested that both Jews and African Americans move to Israel, stating “Just f**k off to Israel and enjoy your Jewish supremacist state. You can take your beloved colored pets with you too.”

Ryan Dawson

On June 1, 2020, Dawson tweeted, “I’d rather have a million abusive cops than communist and jungle animals or do I repeat myself. I will never stand up for BLM again. You can all rot in Hell.”

Jared Howe

On May 28, 2020, Howe published a podcast to his blog and said [00:39:05] “And then instead of just having riots in Minneapolis, you’re going to have blacks riding all over the country, which is the real meaning of the Boogaloo, by the way is, you know, blacks chimping out.”
